

Defending an OMS malpractice lawsuit takes a team of experts.

MedPro Group has an unmatched claims defense strategy.

We know that many malpractice cases are won with the help of other OMS and providers outside of the OMS profession. That's why we are committed to defending your reputation with access to over a century of claims experience and the nation's leading defense counsel.

Our wide understanding of healthcare helps us win cases and more importantly defend your reputation. **Can your carrier say the same?**
